To the girl with the great smile.
When I see you,
the sun is paled by your beauty.
Your smile lights up my life.
I can't wait to see
you Saturday night.
We need to call heaven.
I think they lost an Angel,
cause I know I found one with you.
Happy Valentines Day

Unhappy Valentine's Day

Crush the rose petals
Pop the balloons
Valentines Day
will be over soon

Pink and red cards
with insincere sentiments
the rest of the year
for you to resent

Smash the chocolates
toss out the rings
there are no love songs
for you to sing

Keep your dress in the closet
put away your perfume
tonight you will sleep
all alone in your room

Without love in your life
no cuddly teddy bear
Hopefully things
will improve by next year.

What's Happenin'--in Student Services!

The staff in Student Services is busily gearing up for spring graduation. If you plan to graduate in May, please remember that the application deadline is February 27. Prospective graduates should make an appointment with an academic advisor for a transcript audit. Details on obtaining graduation caps and gowns will be out soon.

Sue Huffman, our resident Tech Prep coordinator, is busy writing a grant for Matanuska-Susitna College to request funds from the Federal Government's Strengthening Institutions Program. We would like input from you, the student, on ways in which we can better serve you. Are there ways in which we can better assist you in preparing to take classes? Perhaps you need some assistance in entering the job market? Maybe you would like some help in determining which field of study you interests, talents and personality are best suited. Please pick up a survey form in Student Services and help us to help you. Please return the surveys by February 25□
